Dinner Experience

A refined, seated experience for dinners, celebrations, and private gatherings. Candlelight, single plated or family style, and thoughtful details make every moment feel intentional.

Cocktail & Canapé

A social, standing format designed for mingling and movement. Signature cocktails, passed canapés, and a lively atmosphere keep the energy flowing all night.

Hybrid Experience

A hybrid setup that combines lounge seating, high-tops, and open social space. Perfect for when you want guests to sit, sip, and circulate freely.

Frequently Asked Questions.

Can I bring my own vendors?

We welcome select outside vendors with advanced approvals, but to maintain the quality and consistency of the Discreta experience, some services are best handled in-house.

- Catering and Décor must be coordinated through our in-house team. Should you wish to bring in your own Caterer or Décor vendor, a flat landmark fee of \$1,000 will apply. This arrangement ensures seamless execution and alignment within the Discreta standards.
- Our in-house event planners and design team offer a full-service experience, making it effortless to bring your vision to life without the need for external coordination.
- Photographers and DJs may be booked independently. We simply ask that all outside vendors are approved in advance to ensure a smooth event.

What's the latest end time?

If you're not booking an all-night buyout, all external décor must be fully removed by 10:30 PM as we transition the space for our evening nightclub service. Guests are welcome to stay and enjoy the public nightclub experience or book a booth separately for continued celebration. However, if you'd prefer to keep the space exclusively yours for the entire night, we offer full buyout options with custom pricing based on extended staffing and service needs. Let us know your preference, and we'll tailor the experience accordingly.

Can I brand the space for a corporate event or activation?

Yes. Discreta is fully brand-ready — we can incorporate logo projection, custom signage, colour schemes, branded menus, and thematic styling into your event. Our team will work with you to create a high-impact experience that still feels elevated and on-brand.

Frequently Asked Questions.

What's included in the booking fee?

Your booking fee includes access to the space ahead of your event for setup (max 4hrs in advance), along with all required in-house staff: event management, hospitality, and service based on your needs. Access to our in-house glassware, AV system, and existing furnishings is also included. If your event requires a particularly early load-in or extended teardown, additional fees may apply to accommodate off-hours staffing. Removing or relocating existing furniture carries a minimum \$500 fee. Décor services are always offered à la carte and fully customizable.

Can I customize the food and drink menus?

Absolutely. We offer preset menus, à la carte ordering, or fully customized menus tailored to your vision. Our bar team is happy to create themed cocktails, champagne pairings, or signature drinks for your event. We accommodate dietary restrictions such as vegan, vegetarian, gluten-free, or allergies with advance notice.

Is there a food and beverage minimum?

Yes — a minimum spend applies and is based on your event date, guest count, and timing. This minimum applies to the total event spend, not per person. Your coordinator will outline your specific minimum based on your event details.

How far in advance should I book?

We recommend booking 4-6 weeks in advance or earlier during peak seasons. However, last-minute bookings are possible pending availability — reach out and we'll do our best to accommodate you.

Can I bring my own cake or desserts?

Yes, you're welcome to bring a celebration cake or dessert — there is no plating or service fee. Alternatively, we offer in-house dessert options and custom celebration cakes for a seamless experience.

Frequently Asked Questions.

Is there a minimum guest count?

There's no minimum guest count — we welcome everything from intimate dinners to larger-scale events. However, a flat rental minimum applies to reserve the entire space exclusively, regardless of party size.

Is there a dress code?

For private events, guests are welcome to dress according to the style of your occasion. If you plan to stay for our club service following your event, please note a smart evening dress code applies.

Is parking available?

There is street parking nearby and a public parking lot directly behind and across the street from the venue. We also strongly encourage ride sharing or designated drivers for a safe and stress-free night out.

Your Path to a Seamless Event.

We believe every detail matters — and it all starts with a thoughtful inquiry.

To begin the booking process, please provide the following information so we can tailor your experience from the very first reply:

- Type of event: Private Dinner, Cocktail & Canapé, Hybrid
- What you're celebrating: (e.g. milestone birthday, engagement, brand launch)
- Estimated guest count
- Preferred event date, time and duration
- Full buyout, Partial buyout or Other
- Any known enhancements or special requests: (e.g. DJ, photobooth, bottle service, décor upgrades)

Once we receive your details, our team will connect with you to discuss availability, offerings, and next steps in bringing your vision to life.
